## Preface

We wish to thank a number of organisations and friends who helped with the publication of *Wordhord*. The Department of English and the Centre for Studies in Australian Literature provided financial support and other resources which have greatly facilitated preparation of the volume; Ray Coffey and Wendy Jenkins have been the most encouraging and helpful of publishing editors; Trudi Tate and Gail Jones contributed valuable research assistance; Caroline Horobin, Sue Lewis and Janet King provided professional secretarial assistance. Their combined expertise and cheerfulness have helped make our own work especially rewarding.
